OATH AND DECLARATION

NAVY CASE 34,632
PAGE 1 OF 1

As a below named inventor, I hereby declare that My residence, post office address and citizenship are as stated by me on the front cover of this application. I believe I am the original, first, and joint inventor of the subject matter which is claimed and for which a patent is sought in the invention entitled: "PLATINUM-IMPREGNATED HYDROUS TIN OXIDE CATALYSTS", the specification of which is attached hereto.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendments referred to above, and I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, §1.56(a).

I hereby claim priority benefits under 35 United States Code Section 119 (e) for any provisional application listed below and have also identified below the priority date of filing of the provisional application which is before the filing date of the application for which this priority is claimed.

Prior Provisional Applications

Priority Claimed

I hereby claim foreign priority benefits under Title 35, United States Code, §115 of any foreign applications for patent or have had a foreign application for patent or inventor's certificate having a filing date before that of this application:

Number	Country	Filing Date

Yes No

of or have had a certificate listed below and have also identified which priority is claimed:

Priority (Yes/No)

I hereby claim the benefit under Title 35, United States Code, §120 of any United States applications listed below, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of this section, or in the manner provided by the first paragraph of section 1.56(a) of Title 37, Code of Federal Regulations, which occurred between the filing date of the prior application and the national or PCT international filing date of this application:

U.S. Appl. Serial No.	U.S. Filing Date

d, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of this section, or in the manner provided by the first paragraph of section 1.56(a) of Title 37, Code of Federal Regulations, which occurred between the filing date of the prior application and the national or PCT international filing date of this application:

Status (patented/pending/probably not)
